FORWARD

The Payne County Fair Board presents to you the 2023 show program for the Payne County Junior Livestock Show. The rules contained herein, in most instances, are a result of individual or group recommendations through the years. To present a show schedule and a listing of rules that are without error and to the satisfaction of every exhibitor is a challenge. Assisting with the management and interpretation of the show's rules are a group of volunteers who serve as superintendents. The Fair Board is indebted to these people for their dedication to Payne County's 4-H and FFA members. Please say "thanks" to these people for their time and interest.

The purpose of the Jr. Livestock Show is to provide county 4-H and FFA members the opportunity to compare their abilities for selection, care, and management of their livestock projects. Included in this training process are parents, leaders, and teachers. Livestock projects are simply tools being used to train young people to be tomorrow's leaders. Misrepresentation of any nature may be a detour that leads to a dead end. Please join us in conducting an educational event that permits good clean competition that ends with a friendly handshake and a smile. Let's have a good show.

-Payne County Fairboard

Every exhibitor, parent or legal guardian, Ag Teacher, 4-H Educator/Leader MUST sign an affidavit that they understand the rules of the Payne County Jr Livestock Show. Any violation of the rules will result in disqualification of the subject animal and/or exhibitor upon available superintendent consensus. All awards and/or monies will be forfeited. No legal action will be brought against the superintendent, Premium Sale Committee, Fairboard, Expo Center, Judges, and/or other officials.

GENERAL RULES AND REGULATIONS

Eligibility is limited to 4-H and FFA members who participate in their respective organizations and must be residents of Payne County or attending school in Payne County and have not graduated high school. In order to participate in Payne County youth events, 4-H and FFA members must be “members in good standing” with their respective organizations. Members must be listed on their respective rosters and dues/fees paid to their respective organizations no later than December 1, 2022, to be considered a “member in good standing” and be able to participate in the 2023 Payne County Junior Livestock Show representing either Payne County 4-H or their FFA chapter. Students who transfer to a school in Payne County, after December 1 and were a “member in good standing” in previous school/county, are eligible to exhibit. 4-Her's must also attend a minimum of 3 meetings of their primary Payne County 4-H Club and must be in 3rd Grade and 8 years or 9 years old, regardless of grade, the day they walk into the show ring. Students must meet the academic eligibility requirements of their school as of the first day of the show. If a student is ineligible, his/her livestock entries are also ineligible.

1. Exhibitors must have had continuous ownership of and personally fed and cared for daily there: market steers weighing 1001 lbs. or more for 90 days, prospect steers 1000 lbs. or less for 75 days. Beef Heifers 45 days prior to show. Swine nominations are due the same date as OYE. **(Starting after the 2023 livestock show, swine nominations will be due 3 working days after OYE nomination due date for the show in 2024).** Swine exhibitor must have all gilts by nomination and pedigree registration sale date must be prior to the nomination date. Market lambs and goats will be nominated 3 working days after OYE nominations. Dairy Heifers 75 days. Market lambs and goats will be nominated 3 working days after OYE nominations. Family nominations need to be specified which exhibitor will show what animal at the official weigh-in or check-in (commercial females) of the show, if not clarified what exhibitor shows what animal, then it will

automatically go to the first name on the form, for those who family nominated. Members attending school in Payne County and living in adjoining county or living in Payne County and attending school in an adjoining county can exhibit in only one county's fair and shows. Location of where animals are kept must be provided to Extension Agents and Ag Education Instructors for project visitation.

2. Each exhibitor will furnish own bedding and be responsible for his own animals. Wood shavings are required for swine, sheep & goat pens. Pens must be bedded prior to putting the animals in them.

3. **DIVISION OF CLASSES**

Sheep Sheep superintendents reserve the right to divide classes by weight, or by numbers when there are six or more animals per breed. If there are 18 or more per breed, there may be 3 classes. If there are 41 or more per breed, there may be 4 classes. Superintendents have the discretion to adjust the number of classes due to weight variation within the breeds.

Swine For Swine **Barrows**, the **eight** pure breeds and crossbreed to be recognized as a breed they must have at least **4 in that breed to be shown**. **If not, those animals will be shown in AOB class. As long as there are at least 4 head in the AOB class, the champion will sell in the Premium Sale. If there are still less than 4 head, the AOB lineup will be added to the crossbred lineup after the champion and reserve champion are selected for sale selection. For Pure breed Gilts, all nine purebred breeds will be allowed to be shown as their registered breed.**
Swine superintendents reserve the right to divide classes by weight, or by numbers when there are six or more animals per breed. If there are 18 or more per breed, there may be 3 classes. If there are 41 or more per breed, there may be 4 classes. Superintendents have the discretion to adjust the number of classes due to weight variation within the breeds.

Steers Prospect and market steer show will be conducted separately. Beef superintendents reserve the right to divide breed classes in the prospect and market steer show by weight, or by numbers into two classes when there are 8 or more. If there are 18 or more steers of one breed, there may be 3 classes. If there are 41 or more there may be 4 classes. Superintendents have the discretion to adjust the number of classes due to weight variation within the breeds.

Goats Goat superintendents reserve the right to divide classes as they deem necessary.

SHOWMANSHIP

4. For Beef Cattle, Dairy, Swine, Sheep, and Goat exhibitors, the divisions will be by grade as of show day as follows:

JUNIOR	Grades 3 rd -6 th
INTERMEDIATE	Grades 7 th -9 th
SENIOR	Grades 10 th -12 th

*An overall beef showman to represent Payne County at OYE will be determined by the Beef Judge in the combined heifer and steer showmanship contest. An overall swine showman per age division will represent Payne County at OYE and will be determined by the Swine Judge.

*Only exhibitors entered in a species may be eligible to compete for showmanship honors in that species. Exhibitors competing in showmanship must exhibit their own animal.

5. Each exhibitor is permitted to **show not more than 3 market barrows and show no more than 3 gilts total.** 3 market lambs, (wethers or ewes), 3 market goats wethers and 3 does, show no more than 3 steers, (combo of market and prospect steers). Heifer show (beef and dairy) and breeding ewes -2 per class. Exhibitor must

show his/her own animal, except in case of injury or illness (to be approved by department superintendent). All exhibitors must abide by posted stall assignments provided by Payne County Fairboard. All stall assignments are posted on the north side of main office window. If an exhibitor is NOT pre-entered online by the deadline date, the exhibitor will be assigned a place to stall per superintendent

6. Any Exhibitor or resident of Payne County who has a protest regarding exhibits or exhibitors in the Jr. Livestock Show must file a written protest and \$50 to the Payne County Fair Board before action will be taken. The protest must be filed no later than one hour after the conclusion of the swine show.
7. Entries must not be removed before the close of the show except by consent of the superintendent.
8. All animals must be free of any infections or communicable or contagious disease. If any such disease is found it will be cause for removal from grounds
9. Market beef must be shown according to breed classification as determined at the OYE or county nomination.
10. Parents and/or groom's persons will refrain from grooming animals as they enter the show ring. Superintendents will prohibit parents and groom's persons from the show ring entrance.
11. For sheep and dairy there will be a breed show for each breed listed in the book regardless of the number of animals entered--For beef breeding cattle, there must be four (4) or more heifers of a breed owned by two or more exhibitors to have a breed show, otherwise they will go in AOB. All Brahman influenced and Longhorn cattle without the four-head needed to make a breed will be grouped together in an American Breed Class. If those numbers for the American Breed Class don't meet the of 4 head, then those cattle would go into the AOB Class. Market steer breeds will be what they

were classified at nomination and will require three or more to be a breed class.

12. The same breed percentages for beef heifers used in OYE will be used by Payne County Spring Livestock Show. All beef and dairy heifers nominated/shown in the commercial, grade, or grade-up class at the spring livestock show will have to be shown as a commercial grade or grade-up heifer in the county fair, and once a heifer is shown as a commercial grade or grade-up, she cannot then be shown as a registered purebred, neither shall heifers which have been exhibited in Payne County in any of the registered purebred classes later change and show in a commercial, grade, or grade-up class.
13. Area traffic/parking signs are always to be observed.
14. Designated fire lanes must be kept clear. Vehicles parked in unauthorized areas will be towed away and subject to recovery of the towing fee from the owner. The use of an electric, open flame or space heater is prohibited.
15. Any person or persons not abiding by these rules and regulations may be subject to disqualification from this and future county shows. Premium money from the show and/or premium sales bonuses will be forfeited.
16. The right is reserved by the Payne County Free Fair Association to interpret, revise, or add to the rules as its interest may require.
17. **Oklahoma 4-H & FFA Show-Ring Code of Ethics**
The Payne County Fair Board has adopted the following:

4-H Member: An exhibitor must wear; official 4-H vest, jacket, or pullover wind jacket of the appropriate colors of solid green, solid white, or a mix of green and white. Must have an official 4-H emblem of at least 2½ inches that is permanently affixed to the front and left side of the vest or jacket. Must wear a buttoned up collared shirt or polo shirt, short

or long sleeve under the vest or either jacket that is the appropriate colors of solid green, solid white, or a mix of green and white. If you have questions or need an official 4-H patch, please contact The Payne County Extension Office 405.747.8320.

FFA Member: An exhibitor must wear; official FFA corduroy jacket, pullover wind jacket or softshell jacket. A pullover wind jacket or softshell jacket must be of the appropriate colors of solid blue, solid yellow, or a mix of blue and yellow. Must have an official FFA emblem of at least 2½ inches that is permanently affixed to the front and left side of the pullover wind jacket. Must wear a collared shirt under either jacket that is of the appropriate colors of solid white, solid blue, solid yellow, or a mix of blue and yellow.

FFA Member: An exhibitor must wear; a buttoned up, collared shirt or polo shirt, short or long sleeve, of the appropriate FFA colors of solid white, solid blue solid yellow, or a mix of blue and yellow. No third color mix or additional colors are allowed. Must have an official FFA emblem of at least 2½ inches that is permanently affixed to the front and left side of the shirt. Because apparel requirements are predetermined for junior dairy exhibitors, they will be required to wear the 4-H or FFA emblem when showing in their respective competitions. Exhibitors must adhere to the dress code in order to be allowed in the show ring. The dress code also will be enforced during the Premium Auction and while junior exhibitors are appearing before the media or other special functions where they are representing their organization. In extremely hot weather, show management may modify the jacket requirement. Believing it is in the best interest of all youth livestock exhibitors and breeders of livestock to maintain a reputation of integrity and to continue to present a wholesome and progressive image in the show ring, the following list of practices are considered unacceptable in the presentation of livestock. The use of such practices or procedures is therefore, considered a violation of the Rules and Regulations governing this show.

18. The exhibitor must be the sole owner of any animals shown in his/her name. Junior exhibitors must have owned, cared for daily

and fed market animals from not later than the date nominated, or date listed in premium list of show. All other animals, including dairy animals, must be owned by, or transferred to the exhibitor by the required date listed in the show premium list.

19. In breeding classes, beef and dairy entries must be registered and recorded in the sole name of the exhibitor. Tattoos, brands, or registry association tags and flock tags must match the papers and be correctly located. Swine ear notches must be correct and healed; market hogs shown as purebred must have healed ear notches in both ears.

20. All exhibitors are expected to provide the primary care and grooming of their animals throughout the show. An exhibitor may be assisted in grooming his/her animal. However, the exhibitor must be present and applying the level of expertise appropriate for that exhibitor's level of experience as deemed by his/her Ag Ed Instructor or county 4-H Agent. Therefore, beginning showmen are allowed more assistance than seasoned showmen. **The 2023 Junior Livestock Beef Show will be blow and show.** The use of paint, glue, foam, or other adhesives and boning products of any kind will not be permitted. Boning of legs, alteration, or enhancement of color will not be allowed. Water, light oils, or sheen type products will be allowed. In short, if you question whether or not a product is allowed, do not use it. All beef cattle will be led between two beef superintendent designees and checked for violations (combs and rags will likely be used during the checking process). No aerosol cans, spray bottles, or styling products other than combs will be allowed past the checking area. Any cattle found in violation will not be allowed in the show ring and will be disqualified from the competition and award premium opportunities. All beef superintendents' decisions will be FINAL!

21. Any junior exhibitor entering livestock in competition must be present to lead and show said animal in competition, or the animal will be disqualified, and entry fees will not be refunded.

Any infraction of rules will cause forfeiture of any premiums earned. The only exceptions to this rule are where a bona fide owner has more than one animal in a given class and, due to an extreme emergency; the bona fide owner is not able to be in attendance. Such cases must be approved by the management. Each animal offered for sale must be handled in the ring by the bona fide owner.

22. Soft muzzles will be allowed on sheep.
23. Treating or massaging any part of the body internally or externally with an irritant or other substance to temporarily straighten a weak back or loin; to produce unnatural animation or to cause swelling or changes in contour or handling qualities is prohibited.
24. Minimizing the effects of crampiness or to affect handling qualities or contour by feeding or injecting drugs, depressants or applying packs (hot or cold) or using any artificial contrivance or therapeutic treatment except normal exercise is prohibited.
25. Striking the animal to cause swelling is prohibited.
26. Surgery or any other procedure performed to change the natural process of growth, maturation, contour, or appearance of any animal, to include teeth, is prohibited. Not included are removals of teats or horns, clipping and dressing of hair and trimming of hooves.
27. The injection or insertion of foreign materials under the skin or into the muscle is prohibited.
28. The use of alcoholic beverages in the feed or as a drench is prohibited.

29. Forced filling of any type by any means to include stomach pumps is prohibited. Rehydration of lambs will be allowed as needed.
30. No alteration or simulation with respect to color of hair will be permitted on any junior animals. This includes all products, natural or man-made; false switches are permitted. If alteration or addition is detected by a show official or through a protest, the exhibitor, organized group, or individual involved will be disqualified and barred from exhibiting. These grooming rules apply to both sexes, all species, for the duration of the junior division of the show. In swine, no powdering, oiling, painting, or dressing other than water will be permitted.
31. The use of any chemical and/or compound that is not approved by the Food and Drug Administration for use in meat producing animals and the illegal use of approved chemicals and/or compounds is prohibited. All animals shall be subject to test (blood, urine, and tissue) for foreign substances that exceed the acceptable levels established by the United States Department of Agriculture and/or the Food and Drug Administration. A positive test will result in disqualification, forfeiture of any premiums and/or awards and will exclude the exhibitor, organized group, or individual involved from future competition at this show. All medications at the show will be administered by licensed veterinarians only.
32. Balancing the udder by any abnormal means including the use of a mechanical contrivance or the injection of fluid or drugs, setting the teats and/or occluding (sealing the ends) with a mechanical contrivance or with the use of a chemical preparation, treating or massaging the udder or its attachments with an irritant or counterirritant will not be permitted. The use

of common products such as fly spray, ointment, or liniment in excess to the extent that it is irritating is included as an irritant.

33. Criticizing or interfering with the judge, other exhibitors, breed representatives or show officials before, during or after the event may result in an individual or group being expelled, placed on probation, declared ineligible, or barred from exhibiting at the event.
34. Exhibitors, organized groups, or any individual switching animals at any time and changing ear tags and other forms of identification will be barred from showing and will forfeit all prizes and premium money.
35. Junior exhibitors, and adults involved with the exhibitors, are expected to adhere to the General Rules and Regulation of junior livestock show including the Show-Ring Code of Ethics as well as the Rules and Regulations governing the Junior Division.
36. Any violation of the Rules and Regulations incorporated in this book, may result in forfeiture of all premiums and awards, disqualification and expulsion or probation of the exhibitor, organized group the exhibitor represents and or any individual or livestock involved. Probation, disqualification, expulsion, or other disciplinary action of the show management will be final. Such action will require application for readmission under such terms as the management may prescribe before the group or individual is allowed to exhibit at future events. Violations of rules at a show which is a member of show support organizations including the Oklahoma Association of Fairs and Festivals, the American Livestock Show and Rodeo Managers Association, and the international Association of Fairs and Expositions, may affect the eligibility of the violators for participation in any show throughout the country, regardless of the show's membership in these organizations.

37. Final interpretation of the following rules will be made by show management. Management decisions are final.
38. Any parents, participating adults or students, interference, misconduct, outburst or inappropriate language, during the show that is a bad example will not be tolerated. The result of these actions can be your child or exhibitor being put on probation or excluded from ever showing here again and your removal from the facilities/grounds.
We are the examples for our children and youth at these shows. If you have a question or problem about or during the show, please conduct yourself in a correct and calm manor to a superintendent or fairboard member.

***No alcoholic beverages
are allowed on the grounds***

***PLEASE NO
DOGS IN THE BARNS***

FYI – After each spices program is posted (time will be noted on program), exhibitors will have one (1) hour to make any necessary changes. After one (1) hour the program is FINAL.

8. Gilt must be shown in the gilt show and barrows must be shown in the barrow show.
9. All exhibitors shall abide by the stall assignments made and posted on the grounds. Superintendents of each species shall have the authority to supersede the posted stall assignments at their own discretion, or as circumstances require. Failure to abide by stall assignments and/or instructions of Show Superintendents shall result in the exhibitor forfeiting all rights to participate in the show.
10. Refer to General Rule 2
11. All exhibitors are expected to provide the primary care and grooming of their animals throughout the show. An exhibitor may be assisted in grooming his/her animal. However, the exhibitor must be present and applying the level of expertise appropriate for that exhibitor's level of experience as deemed by his/her Ag

Ed Instructor or county 4-H Agent. Therefore, beginning showmen are allowed more assistance than seasoned showmen.

12. Parents and/or groomers' persons will refrain from grooming animals as they enter the show ring. Superintendents will prohibit parents and groomers' persons from the show ring, holding area entrances.
13. For Swine Barrows, the eight pure breeds to be recognized as a breed they must have at least 4 in that breed to be shown. If not, those animals will be shown in AOB class. As long as there are at least 4 head in the AOB class, the champion will sell in the Premium Sale. If there are still less than 4 head, the AOB lineup will be added to the crossbred lineup after the champion and reserve champion are selected for sale selection. For Swine Gilts, all nine purebred breeds will be allowed to be shown as their registered breed.
14. Swine superintendents reserve the right to divide classes by weight or by numbers when there are six or more animals perbreed. If there are 18 or more per breed, there may be threeclasses. If there are 41 or more per breed, there may be fourclasses. Superintendents have the discretion to adjust the number of classes due to weight variation within the breeds.

No gilts with black and or red pigmentation (including black or red belted, black and/or red patched or spotted) on 20% or more of the total body area will be allowed to show in the light crossbred division. Gilts that enter into this division and fail to meet the above classification guidelines will be moved to dark cross gilts.

Dark Cross Commercial Gilts – There is no qualification for the dark cross gilt division. This division is primarily for those gilts with black and or red pigmentation (including black or red belted, black and/or red patched or spotted) on 20% or more of the total body area, however a gilt of ANY color or breed may show in this division.

19. Pens must be bedded with wood shavings before putting animals in
20. The State Department of Agriculture requires evidence of a negative pseudo rabies virus (PRV) test (test chart) for all shows. This chart must be presented prior to unloading. All swine must have a premise ID number enter the county show for a review; the following steps are required to exhibit market swine (barrows & gilts) in Oklahoma spring shows: Have a negative pseudo rabies test conducted after November 10, 2022 and is identified on the test chart by official identification number. Be individually identified with an official identification device permanently affixed to the ear. (Plastic ear tag is recommended) Present test record at each exhibition.
21. After being exhibited, be kept separate and apart from all breeding swine or until they are retested negative in not less than 30 days following last exhibition or shipped direct to slaughter. Ear tags and test papers must be checked before unloading.

22. All swine exhibitors are allowed to show in the showmanship contest. At the appropriate time for the showmanship contest to begin, the superintendent shall call the first age group to begin making their way to the show ring. The first ten exhibitors to enter the holding area will then comprise the first 'heat' for that age group. The judge will evaluate those exhibitors and select the one or ones that he wishes to retain for the final heat. When the judge concludes the first heat then the next ten exhibitors to enter the holding area will comprise the second heat. This process will be repeated until all that wish to show in their division have entered the ring. Then the judge will bring back the exhibitors that were retained for the final heat, evaluate them, speak to them if he wishes, and select the top five and select a champion. All overall swine showman per division, to represent Payne County at OYE, will be determined by the Swine Judge. Gilts or Barrows may be shown in showmanship.
23. Family nominations will be specified at the time you weigh in at the scales. All Information, exhibitor, club/chapter, breed, tag, etc. must be correct on official printed card, no hand-written changes can be made, except by swine superintendents. Exhibitors may change their swine classification from a purebred to a Crossbred Only prior to weighing of the swine. **NO CHANGES** will be allowed to be made after the cards are turned into the superintendent at the scales.
24. Only one person per community is allowed in swine holding area, this person will be designated by that community's ag teacher.

No substitutions are allowed.

Only one pen per exhibitor may be entered. One pen of three birds- ONLY birds purchased from the WELP Hatchery in Iowa for the 2023 Payne County Jr Livestock Show is eligible to compete.

1. All chicks will be wing banded. No broiler will be accepted for show at the Payne County Jr Livestock Show without the original wing band still in place.
2. The owner/exhibitor is the person who ordered the birds. The broilers, from time of delivery, must have been fed and cared for daily by the exhibitor. Birds will be the responsibility of the exhibitor, from check in time to check out time. Each exhibitor shall provide all feed, water, dispensers, fans, ice, etc. All handling of birds after checking in is prohibited except as directed by the poultry superintendent.
3. Coop of broilers will be sifted at check in. All entries must be US Grade A live market quality, to be accepted. A pen may be sifted for the lack of uniformity. Each broiler must have the wing band in place. Any broiler, which has no wing band, regardless of the reason will be sifted. After the broilers have been officially cooped, they may not be handled by anyone except the judge and the youth handlers until all judging has been completed.

4. Judging will be made according to US standards for live chickens. Placing will be made based on market quality. Showing will require the youth exhibitor plus one or two other handlers, preferably another youth. Non-youth handler's may be allowed if prior approval is obtained from the show superintendent. Youth shall follow the Payne County Jr Livestock Show Rules for appropriate dress.
5. All entries will be subject to the health and safety regulations of the Payne County Jr Livestock Show with the exception of Pullorum Typhoid testing and health certificates. All Jr Market broilers originated from a certified NPIP Flock and are under 6 months of age; therefore, Pullorum testing, and health certificates are not required by the Oklahoma Department of Agriculture, Food and Forestry.
6. Sick and/or diseased birds will not be accepted and if discovered during show, will be removed from competition. Any bird with reduced comb growth or other secondary sex characteristics, which indicate the presence of a hormone, will be sifted. Sifted birds must be removed from the Payne County Expo Center immediately by exhibitor. Payne County Jr Livestock Show assumes no responsibility for the birds.
7. Exhibitors shall follow the rules and regulations of the Payne County Jr Livestock Show.

NOTES:
